DOCUMENT ADMINISTRATIVE RULES

This is to streamline “Document Administrative Rules” originally set forth on July 03, 1996, amended on April 2, 2009, and added some other necessities for updating on September 12, 2011.

1. Classifications and definitions of Documents

1.1. Based on the Chapter18 Documents of “Rules of XGP Forum”, Documents created by General Meeting, Steering Committee, Working Groups or WGs, and Secretariat Office (“Documents”) shall be classified as either Public Documents or Non-Public Documents.

1.2. Following Documents shall be classified as Public Documents.

1.2.1. Regulations, general policy, or basic marketing strategy which may bind or be influential to the public as well as Members of XGP Forum, such as, but not limited to PSID Application Procedures, IPR guidelines, and Road Map.

1.2.2. Technical Specification (TS) which definition is specified separately.

1.2.3. Documents which are created only to provide non confidential information in public such as, but not limited to newsletter, technology reports, promotional materials.

1.3. Following Documents shall be classified as Non-Public Documents.

1.3.1. Documents such as, but not limited to Technical Report (TR), and Technical Information (TI) created by relevant WGs for internal use only within XGP Forum Members.

1.3.2. Although Non-Public Documents are all for internal use, they can be open to public in case the relevant WGs make such decision.

1.4. The definition of Technical Specification (TS)

This refers to documents including standardized material and technical specifications. Technical Specification (TS) is drafted by WGs such as TWG, and promulgated directly from XGP Forum or from other related organization along with the adequate transposing work after the consent of the General Meeting of XGP Forum principally. TS itself could be referred to the one standardized by entities other than XGP Forum.

1.5. The definition of Technical Report (TR)

There are two different types of Technical Report (TR) provided by the relevant WGs. One is the report of survey or research provided by WGs, and the report is used for a reference.

The other is the entry stage of TS as to receive member’s comment widely but internally for finding any possibility to make the particular TR to upgrade to TS. This type of TR document is open to XGP Forum members only unless otherwise specified.

1.6. The definition of Technical Information (TI)

Technical Information (TI) provided by the relevant WGs are defined as the Document that an organization wishing to make public the technology or know-how relating to XGP proposes and prepares, or the Document that an organization holding the technology or know-how relating to XGP is asked to make public and prepare. TI may be upgraded to TR or TS as necessary. TI documents are open to XGP Forum members only unless otherwise specified.

2. Subtitle of Documents

The definitions of subtitles when upgrading are the following;

2.1. Version:

A major change such as changing of basic specifications or adding new sections that would be unable to achieve only with existing technologies, or methods, written into the previous version and this shall be only authorized by General Meeting.

2.2. Revision:

A minor change such as partial small changing, or adding some words which shall be not affected to the basics and this shall be authorized by each WG. Further change but not reached to the version amendment shall be authorized by General Meeting.

2.3. Release:

A further minor change such as the correction of typographical errors, and the change of the way of expression in a better way which would not be affected to contents itself at all, and this shall be authorized by each WG.

3. Limited Liability in Document

All documents made by XGP Forum are handled according to the policies stated below.

3.1. Copyright

The XGP Forum, unless otherwise having agreements about rights of documents, reserves all rights including copyrights in the XGP Forum Documents.

3.2. Disclaimer, Limitation of Liability:

NOTHING IN THIS DOCUMENT CREATES ANY WARRANTIES OF TITLE OR NONINFRINGEMENT WITH RESPECT TO ANY TECHNOLOGIES, STANDARDS OR SPECIFICATIONS REFERENCED OR INCORPORATED INTO THIS DOCUMENT.

IN NO EVENT SHALL THE XGP FORUM OR ANY MEMBER BE LIABLE TO THE USER OR TO A THIRD PARTY FOR ANY CLAIM ARISING FROM OR RELATING TO

THE USE OF THIS DOCUMENT, INCLUDING, WITHOUT LIMITATION, A CLAIM THAT SUCH USE INFRINGES A THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS OR THAT IT FAILS TO COMPLY WITH APPLICABLE LAWS OR REGULATIONS. BY USE OF THIS DOCUMENT, THE USER WAIVES ANY SUCH CLAIM AGAINST THE XGP FORUM AND ITS MEMBERS RELATING TO THE USE OF THIS DOCUMENT.

4. Approval procedures of Public Documents

- 4.1. On Public Documents specified at Chapter 1.2.1 and 1.2.2 of this regulation, unless otherwise stated in "Rules of XGP Forum", the following approval procedures shall be taken before proposing to General Meeting, and shall be approved at General Meeting.
 - 4.1.1. Secretariat Office shall distribute the draft of Public Documents specified at Chapter 1.2.1 and 1.2.2 to all XGP Forum Members for comment before General Meeting.
